Update on future activities

Potential updates:

1. Reporting of modelling results:

- "E-reporting of models: Possible guidance to the IPR" (presentation from EEA- 26 February 2018, Fairmode plenary meeting, Baveno, Italy)

Proposed way forward:

- Survey on functionalities needed from a user perspective
- Address the countries that have already reported models (experience, problems, challenges, etc)

Potential updates:

2. Objective estimation

- Guidance on when and how objective estimation can be applied.
- Address reporting challenges (data quality, reporting the results)
- Practice examples, for carrying out and reporting assessment with objective estimation

Proposed way forward

- Survey on functionalities needed from a user perspective
- Address the countries that have already developed an approach

(Text with EEA relevance)

THE EUROPEAN PARLIAMENT AND THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 16 thereof,

Having regard to the proposal from the European Commission,

After transmission of the draft legislative act to the national parliaments,

Having regard to the opinion of the European Economic and Social Committee ⁽¹⁾,

Having regard to the opinion of the Committee of the Regions ⁽²⁾,

Acting in accordance with the ordinary legislative procedure ⁽³⁾,

Whereas:

REGULATION (EU) 2016/679

Recital (17) - Regulation (EC) No 45/2001 of the European Parliament and of the Council applies to the processing of personal data by the Union institutions, bodies, offices and agencies. Regulation (EC) No 45/2001 and other Union legal acts applicable to such processing of personal data should be adapted to the principles and rules established in this Regulation and applied in the light of this Regulation. In order to provide a strong and coherent data protection framework in the Union, the necessary adaptations of Regulation (EC) No 45/2001 should follow after the adoption of this Regulation, in order to allow application at the same time as this Regulation.

Article 2 – Material Scope [...] 3. For the processing of personal data by the Union institutions, bodies, offices and agencies, Regulation (EC) No 45/2001 applies. Regulation (EC) No 45/2001 and other Union legal acts applicable to such processing of personal data shall be adapted to the principles and rules of this Regulation in accordance with Article 98. [...]

Article 98 - Review of other Union legal acts on data protection The Commission shall, if appropriate, submit legislative proposals with a view to amending other Union legal acts on the protection of personal data, in order to ensure uniform and consistent protection of natural persons with regard to processing. This shall in particular concern the rules relating to the protection of natural persons with regard to processing by Union institutions, bodies, offices and agencies and on the free movement of such data.
