

Reporting on Directive 2019/904 on the reduction of the impact of certain plastic products on the environment

- 3rd Webinar –

27th May, 10-12 CET

Objectives:

The webinar will serve to clarify questions related to the Manual for reporters and the three reporting templates, which have been shared on the 17th May; address any further methodological question; and explain the process to upload the SUP Directive reporting files using the EEA Reportnet 3 platform.

Monday 27th May
